RESTRICTION ON DISCLOSURE AND USE OF DATA (FAR 52.215-1(e))

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed — in whole or in part — for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of — or in connection with — the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtainable from another source without restriction. The data subject to this restriction are contained in all pages of this volume.

1. Key Personnel

Program Manager Russell Kane (PMP, 10 years) is a current Corvane employee with an active Secret clearance, committed full time. Corvane will recruit the Solution Architect after award.

2. Transition-In Plan

Corvane will complete transition-in within 30 days of award by assigning its existing Huntsville processing team to the effort on day one.

3. Staffing and Security Clearances

Sixty percent of the proposed staff are current employees with Secret clearances; Corvane will hire the remaining 40 percent after award and sponsor their clearances.
