RESTRICTION ON DISCLOSURE AND USE OF DATA (FAR 52.215-1(e))

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed — in whole or in part — for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of — or in connection with — the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtainable from another source without restriction. The data subject to this restriction are contained in all pages of this volume.

1. Key Personnel

Program Manager Lauren Whitaker (PMP, 21 years) and Solution Architect Daniel Osei (12 years) are current Ashgrove employees with active Secret clearances, committed full time from award.

2. Transition-In Plan

Ashgrove will complete transition-in within 60 days of award through a phased handover of each depot.

3. Staffing and Security Clearances

Ashgrove will staff the effort from its defense logistics practice, where all staff hold Secret clearances, and backfill through its recruiting team. Annual retention across the practice is 86 percent.
