RESTRICTION ON DISCLOSURE AND USE OF DATA (FAR 52.215-1(e))

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed — in whole or in part — for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of — or in connection with — the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtainable from another source without restriction. The data subject to this restriction are contained in all pages of this volume.

1. Program Manager

Program Manager Erin Vasquez (12 years) currently manages Lumina's federal health portfolio.

2. Chief Data Architect

Lumina has identified Dr. Kamal Iyer as Chief Data Architect. Dr. Iyer is not currently a Lumina employee; Lumina expects to extend an offer of employment upon contract award.

3. Commitment and Availability

A signed letter of commitment from the Program Manager is attached. A letter of intent from Dr. Iyer will be provided after award.
