RESTRICTION ON DISCLOSURE AND USE OF DATA (FAR 52.215-1(e))

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed — in whole or in part — for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of — or in connection with — the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtainable from another source without restriction. The data subject to this restriction are contained in all pages of this volume.

1. Staffing and Key Personnel

Program Manager Daniel Okonjo (PMP, 16 years) and Lead Data Scientist Dr. Hana Petrov are current Keystone employees committed full time from the date of award.

2. Transition-In

Transition-in completes in 55 days, within the required 60, with the incumbent's open work orders migrated in the first two weeks.

3. Quality Control

A monthly quality review with the COR covers forecast accuracy, data latency and open defects, with corrective actions tracked to closure.
