CONFIDENTIAL AND PROPRIETARY INFORMATION

Pages of this proposal marked "Confidential" contain trade secrets and proprietary information that the proposer asks the District to withhold from public disclosure under the state public records law. The proposer understands that the proposal becomes a public record once the District's award is final, except for the pages so marked, and that the District may disclose any part of this proposal not so marked.

1. Implementation and Course Migration

Implementation runs from March to July so courses are ready before the school year starts. Quillmark will migrate existing course content, configure OneRoster rostering and LTI tools, and pilot with two schools in May.

2. Training and Professional Development

A teacher-leader cohort of two staff per school receives 16 hours of training and then supports colleagues, backed by August workshops, on-demand courses and monthly office hours in the first year.

3. Support and Service Levels

Support is available 6 a.m. to 10 p.m. Eastern on school days, covering homework hours, with priority 1 issues answered within 30 minutes. Quillmark commits to 99.9 percent uptime during instructional hours, backed by service credits.
