CONFIDENTIAL AND PROPRIETARY INFORMATION

Pages of this proposal marked "Confidential" contain trade secrets and proprietary information that the proposer asks the District to withhold from public disclosure under the state public records law. The proposer understands that the proposal becomes a public record once the District's award is final, except for the pages so marked, and that the District may disclose any part of this proposal not so marked.

1. Implementation and Data Migration

Implementation runs over eight months with a summer go-live. Kestrel will migrate current-year and two prior years of student data from the legacy system.

2. Training and Change Management

Training is limited to train-the-trainer sessions for 20 District staff, who will then train teachers and office staff at each school.

3. Support and Service Levels

Support is available by email and web ticket on weekdays, with responses within one business day. Kestrel targets 99.5 percent uptime.
