### Nutrition Services Point of Sale

We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract. The effort delivered on schedule and within budget, and the customer exercised every option period. The customer cited our transition planning and weekly risk reviews as strengths in the most recent assessment.

### Student Information System Implementation

We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout. The effort delivered on schedule and within budget, and the customer exercised every option period.

### Parent Communication Platform

The work closely matches this requirement in scope, user population and security controls. Two milestones slipped during the first year while a subcontractor was replaced; both were recovered within the quarter. The effort delivered on schedule and within budget, and the customer exercised every option period.
