Glacier Run Mission Services LLC: Relevant Experience

Department of Homeland Security — Zero Trust Architecture Implementation

Under contract 36C10B-21-C-6026, valued at $6,000,000, we supported Department of Homeland Security from September 2021 to present. Our most recent CPARS assessment rated overall performance Satisfactory, and we consider the effort somewhat relevant to this requirement. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout.

General Services Administration — Mission Application Rationalization

Under contract FA8732-22-D-6455, valued at $38,000,000, we supported General Services Administration from December 2022 to January 2024. Our most recent CPARS assessment rated overall performance Satisfactory, and we consider the effort very relevant to this requirement. The work closely matches this requirement in scope, user population and security controls. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract.

Centers for Medicare & Medicaid Services — Mission Application Rationalization

Under contract 75N950-20-F-0073, valued at $5,000,000, we supported Centers for Medicare & Medicaid Services from April 2020 to March 2025. Our most recent CPARS assessment rated overall performance Satisfactory, and we consider the effort relevant to this requirement. The effort delivered on schedule and within budget, and the customer exercised every option period. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract.
