Copperfield Mission Services LLC: Relevant Experience

Department of Veterans Affairs — DevSecOps Software Factory

Under contract 75N950-19-D-8060, valued at $38,000,000, we supported Department of Veterans Affairs from June 2019 to November 2021. Our most recent CPARS assessment rated overall performance Marginal, and we consider the effort very relevant to this requirement. The effort delivered on schedule and within budget, and the customer exercised every option period. The work closely matches this requirement in scope, user population and security controls.

Department of Veterans Affairs — Research Data Commons

Under contract N66001-22-F-2737, valued at $24,000,000, we supported Department of Veterans Affairs from April 2022 to present. Our most recent CPARS assessment rated overall performance Very Good, and we consider the effort very relevant to this requirement. The customer cited our transition planning and weekly risk reviews as strengths in the most recent assessment. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout.

Army Contracting Command — Enterprise Cloud Migration

Under contract 36C10B-23-C-0853, valued at $31,000,000, we supported Army Contracting Command from June 2023 to present. Our most recent CPARS assessment rated overall performance Very Good, and we consider the effort relevant to this requirement. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout. The effort delivered on schedule and within budget, and the customer exercised every option period.
