Meridian Arc Labs Inc.: Relevant Experience

Air Force Life Cycle Management Center — Zero Trust Architecture Implementation

Under contract FA8732-20-F-5416, valued at $7,000,000, we supported Air Force Life Cycle Management Center from February 2020 to February 2025. Our most recent CPARS assessment rated overall performance Very Good, and we consider the effort very relevant to this requirement. The effort delivered on schedule and within budget, and the customer exercised every option period. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract.

National Institutes of Health — Clinical Data Warehouse Modernization

Under contract HT0011-22-C-3278, valued at $34,000,000, we supported National Institutes of Health from April 2022 to present. Our most recent CPARS assessment rated overall performance Very Good, and we consider the effort relevant to this requirement. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout.

National Institutes of Health — Logistics Analytics Platform

Under contract FA8732-22-D-0582, valued at $29,000,000, we supported National Institutes of Health from March 2022 to December 2024. Our most recent CPARS assessment rated overall performance Satisfactory, and we consider the effort relevant to this requirement. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout. The work closely matches this requirement in scope, user population and security controls.
