Meridian Arc Solutions Inc.: Relevant Experience

Department of Homeland Security — Research Data Commons

Under contract N66001-20-D-9395, valued at $29,000,000, we supported Department of Homeland Security from October 2020 to October 2023. Our most recent CPARS assessment rated overall performance Satisfactory, and we consider the effort very relevant to this requirement. The customer cited our transition planning and weekly risk reviews as strengths in the most recent assessment. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout.

Department of Veterans Affairs — Logistics Analytics Platform

Under contract 36C10B-19-C-7379, valued at $35,000,000, we supported Department of Veterans Affairs from July 2019 to August 2024. Our most recent CPARS assessment rated overall performance Marginal, and we consider the effort somewhat relevant to this requirement. We stood up the program management office in the first 30 days and kept staffing above 95 percent for the life of the contract. Our team retired legacy infrastructure ahead of plan and held availability above the service-level target throughout.

General Services Administration — Logistics Analytics Platform

Under contract 75N950-23-F-3231, valued at $40,000,000, we supported General Services Administration from June 2023 to present. Our most recent CPARS assessment rated overall performance Very Good, and we consider the effort very relevant to this requirement. Two milestones slipped during the first year while a subcontractor was replaced; both were recovered within the quarter. The effort delivered on schedule and within budget, and the customer exercised every option period.
